

SARAH GANS

FRONT-END DEVELOPER

PROFILE

Hey, I'm Sarah! I'm a Front-End Developer with a background in cello performance. I love how coding lets me use creative problem solving to design and build user-friendly, fun, and accessible applications. As the world of web development is constantly changing, I'm always looking to collaborate and learn from those around me.

EDUCATION

Juno College of Technology | 2019 - 2020

Web Development Immersive

Accelerated JavaScript

Accelerated Web Development

RECENT PROJECTS

Chirptronome | React | Firebase | SASS

If you've ever wanted to practice your musical instrument with a bird chirp, today is your lucky day. Practice with the chirps of the Chirptronome and store the tempo, meter, title, and composer of the music you're playing for another day.

Assistant Principal Cello | 2016 - 2019

Kitchener - Waterloo Symphony

- Helped to lead the cello section in more than 250 concerts for audiences of up to 2000 people per concert.
- Communicated with the conductor and the musicians about technical issues and creative musical ideas.
- Worked as a team with the members of the orchestra in daily rehearsals, in addition to extensive daily solo practice, to prepare for a new concert program every week.
